Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the best answer to each of the following questions.

Orbis is an organisation which helps blind people of everywhere. It has built an eye hospital inside an aeroplane and flown it all over the world with an international medical team. Samantha Graham, a fourteen-year-old schoolgirl from England, went with the plane to Mongolia. Samantha tells the story of Eukhtuul, a young Mongolian girl.

‘Last year, when Eukhtuul was walking home from school, she was attacked by boys with sticks and her eyes were badly damaged. Dr. Duffey, an *Orbis* doctor, said that without an operation she would never see again. I thought about all the things I did that **she** couldn’t, things like reading schoolbooks, watching television, seeing friends, and I realised how lucky I am.’

‘The *Orbis* team agreed to operate on Eukhtuul and I was allowed to watch, together with some Mongolian medical students. I prayed the operation would be successful. The next day I waited nervously with Eukhtuul while Dr. Duffey removed her bandages. “In six months your sight will be back to normal,” he said. Eukhtuul smiled, her mother cried, and I had to wipe away some tears, too!’

Now Eukhtuul wants to study hard to become a doctor. Her whole future has changed thanks to a simple operation. We should all think more about how much our sight means to us.
